Who We Are

The Ojai Valley Woman's Club is a service and philanthropic organization, established in 1915, open to the women of the Ojai Valley of Ventura County.

Our purpose is to promote friendship among its members, to support the cultural and educational activities of our community and to initiate and participate in programs of service to Ojai families.

Each June the Ojai Valley Woman's Club awards scholarships to two outstanding women students chosen from area high schools to continue their education.

We also encourage local students to participate in arts competitions at our District 14 Fine Arts Festival held in March.

Meetings

All regular meetings with a program and refreshments are held at 2 pm the first Thursday of the month from September through June at the Ojai Valley Woman's Club building which is located downtown at 441 East Ojai Avenue.

This building, built in 1911, has been designated as Ojai's Historic Landmark #8.

The Club also holds special events throughout the year, as well as ongoing bridge, bunco and craft groups for interested members.
